Explanatory Notes on Special Business

- E. Resolution 6 – Authority to allot and issue shares pursuant to Sections 75 and 76 of the Act**
The Ordinary Resolution 6 proposed under Item 6 above, if passed, will give the Directors of the Company flexibility to allot and issue new shares up to an amount not exceeding ten per centum (10%) of the Company's total number of issued share capital for the time being upon such terms and conditions and for such purposes and to such person or persons as Directors of the Company in their absolute discretion consider to be in the interest of the Company, without having to convene a separate general meeting so as to avoid incurring additional cost and time. The purpose of this general mandate is for possible fund-raising exercises including but not limited to further placement of shares for purposes of funding current and/or future investment projects, working capital and/or acquisitions.
The Board is of the opinion that the issue and allot shares up to an amount not exceeding ten per centum (10%) is in the best interest of the Company. The general mandate sought for the issuance of new shares is a renewal of the mandate that was approved by the shareholders at the 2nd AGM on 23 June 2025. The Company did not utilise the mandate that was approved.
The approval of the issuance and allotment of the new shares under Sections 75 and 76 of the Act shall have the effect of the shareholders having agreed to waive their statutory pre-emptive rights pursuant to Section 85 of the Act and Clause 52 of the Constitution of the Company, the shareholders of the Company hereby agree to waive and are deemed to have waived their statutory pre-emptive rights pursuant to Section 85 of the Act and Clause 52 of the Constitution of the Company pertaining to the issuance and allotment of new shares under Sections 75 and 76 of Act, which will result in a dilution to their shareholding percentage in the Company.
